

STUDY IN BELARUS

Here are some advantages to studying in Belarus:

Advantages of studying in Belarus

1. More than 6000 foreign students study at higher Education Institutions and Universities in Belarus every year. This number is increasing every year.
2. There is a very high chance of Permanent Residence & Settlement in Europe after completion of study program.
3. Almost all the courses are recognized internationally. You have the Opportunity to get very good jobs after graduation because of the high standard and general acceptance of the degrees.
4. Belarus universities have about the lowest tuition fee in the world; hence students can easily afford the cost of education.
5. Belarusian Universities are recognised internationally for the depth and quality of their courses. The Education qualification is globally accepted as an indication of a high level of competence in a broad range of fields – from science to business, foreign language training to arts and from legal studies to medicine.
6. The Cost of Education and general living cost is relatively cheap, compared to most of the other European countries.
7. Due to the high demand of the Internationally recognized Universities and courses, almost all the Institutions are already open to the English Medium of Instruction. This means you can study in English Medium in almost all courses.
8. Most of the Universities enjoy a great experience through Visiting Professors from other parts of the world like the United States, Canada, and United Kingdom etc.
9. There is a very high chance of Permanent Residence & Settlement in Europe after completion of study program.
10. Getting a visa to study in Belarus is relatively easy. Most times, intending students are not are not refused visas. The visa is almost fully guaranteed.

11. While studying in Belarus, you have the opportunity to do other medical licensing examinations such as PLAB, USMLE, MCI Test, ERPM, and MOH/DOH/HAAD (USA).
12. IELTS or TOEFL is not required for admission. Entry procedures are simple and straightforward.
13. It is an opportunity to meet with thousands foreign students from different cultures and different countries.
14. The environment is very safe compared to most parts of Europe. Another advantage is that there is little or no corruption in Belarus.
15. The Education Standard in Belarus is very high.
