

# STUDY IN RUSSIA

## Here are some advantages to studying in Russia

- Education in Russia has always been seen as one of the best in the whole of Europe. Russia has always been ahead in the field of education and more specifically medicine and engineering.
- Studying in Russia is cheap, compared to most parts of Europe. Living cost is also very affordable.
- International Students in Russia are sure going to enjoy the multicultural environment. There are thousands of students from other countries studying in Russia.
- Universities in Russia do not require IELTS or TOEFL as an entrance Examination. You are accepted as long as you have the basic requirements from your home country.
- Accommodation in Russia is very comfortable and most of them are on-campus.

## Russian Embassy Requirements

- Original letter of invitation issued by Russian migration service (We will be responsible for getting you this letter)
- Letter of admission from Russian Institute /University/Academy
- Completed visa application form
- Valid passport together with a clear photocopy of its data page
- One clear color passport size photo with the surname of the applicant written on the reverse side.
- General health certificate issued by responsible authority
- Original of HIV/AIDS test certificate.
- School certificate examination (WAEC NECO) legalized by the Russian consulate
- Police character certificate
- NDLEA certificate of Clearance
- Police deportation report
- Travel insurance valid for at least 3 months from the date of its submission to the consulate.
